

Axtera Management is a veteran-owned small business headquartered in San Diego County. One contractor for janitorial, grounds, exterior cleaning and building support at government facilities nationwide, as a prime or as a subcontractor.

Core competencies

Janitorial and custodial

- Routine cleaning of offices, lobbies and common areas
- Restroom service and restocking
- Hard floor and carpet care
- Window cleaning, interior and exterior
- Day porter service
- Post-construction cleanup

Exterior cleaning

- Pressure washing of walkways, plazas and parking structures
- Soft washing of building exteriors
- Solar panel cleaning
- Gutter and roof drain cleaning
- Graffiti removal

Grounds maintenance

- Mowing, edging and trimming
- Shrub and planting bed maintenance
- Litter and debris removal
- Seasonal cleanups

Building support

- Trash chute cleaning and deodorizing
- Trash enclosure and dumpster pad cleaning
- Dryer vent cleaning

What you get with us

- **Veteran-owned and led.** The majority owner leads operations and signs every bid.
- **One accountable contact.** A named supervisor runs each contract and answers for it.
- **Proof with every invoice.** Dated inspection photos and a service log go out with each bill.
- **One office.** Every contract is managed from our San Diego County headquarters, wherever the facility is.

Field experience of our principals

Performed since 2017 through the principals' commercial exterior cleaning company in San Diego County:

- Prevailing-wage utility marking removal on a public right-of-way, with traffic control
- Pressure washing of a multi-level parking structure
- Trash chute cleaning in occupied residential towers up to 20 stories
- Exterior glass for a full downtown block by water-fed pole
- Rooftop solar array cleaning
